ASIAN TIGER TRAP™

Economical, extremely simple and effective method for controlling container-breeding mosquitoes. Asian Tiger Traps placed around homes have been demonstrated to attract and kill significant numbers of mosquitoes. Use more for better results.
New Release ~ Summer 2010

MOSQUITO TRAP

Our Mosquito Trap uses a mosquito egg pheromone which draws pregnant female mosquitoes into the trap. They lay their rafts of larva in the trap but they cannot find the exit. They eventually tire and drown in the trap. Traps are re-useable and include one set of lures which last 4-6 weeks.
#MOS12 Mosquito Trap with Lure ~ \$11.99
#S1519 Mosquito Lure 2 pk ~ \$4.99

MOSQUITO KILLER

Mosquito Science® Mosquito Killer 30 oz. size. Naturally-based, safe, biodegradable. Dual action - kills mosquito larva in water and, repels adult mosquitoes for up to 6 weeks. Effective control that biodegrades without persistent toxic chemicals, bacterial toxins or insect hormones.
